BOOK SYNOPSIS

Cardiovascular Care Made Incredibly Visual! Second Edition offers an innovative visual approach to mastering the principles and practice of cardiovascular care. Hundreds of detailed color photographs, diagrams, charts, and other visual aids clarify essential cardiovascular anatomy and physiology and guide nurses through all current physical assessment techniques, diagnostic tests, treatments, emergency procedures, cardiac monitoring methods, and more. This thoroughly updated edition includes current ACLS algorithms and information on congenital cardiac disorders, new diagnostic tests and treatments, and noninvasive cardiac output monitoring. Special logos reinforce key points about equipment and procedures and present visual mnemonics, and "Vision Quest" puzzles test readers knowledge in an entertaining way. Nurses can foster a quick and thorough understanding of cardiovascular care the Incredibly Visual way - with clear, logical content, written in conversational style, highly-detailed visual aids, and key highlights that help recall what has been learned.
