## BOOK SYNOPSIS

Heart rhythm problems--whether slow, fast, or irregular--are very common. Some are benign while some may lead to sudden death. That got your attention, didnt it? Learn about heart rhythm management while having fun reading interesting anecdotes, corny jokes and poignant stories about this growing field in medicine. If you or a loved one has a heart rhythm issue or you just want to learn more about this growing field, Live Better Electrically is your guide to symptoms, risk factors, diagnosis, and treatment options including medication, pacemakers, implantable cardioverter defibrillator (ICDs), ablation, and atrial fibrillation management. Dr. Higgins is a recognized pioneer in the field of heart rhythm treatment and cardiac electrophysiology (EP). He is also the chairman of the Department of Cardiology and director of Cardiac Electrophysiology at Scripps Memorial Hospital in La Jolla, CA one of the US News Top 20 Heart Hospitals.
