BOOK SYNOPSIS

Photographer, blogger, artist, and stylist Erin Gleeson combines food, flowers, watercolors, and vintage tableware to evoke the ease and festivity of her cabin in the Northern California woods. Inspired by her cookbook, *The Forest Feast*, this tear-off pad contains 40 paper placemats (eight each of five different designs). The placemats are perfect for brunches or picnics, for serving cheese or fruit, or for everyday dining. Designed in five different color schemes (indigo, pink, red, teal, and lime), the placemats can be mixed and matched eclectically or used to create a coordinated tablescape.
