BOOK SYNOPSIS

"This edited resource manual contains information pertaining to developing and instructing course work in Counselor Education in both the Clinical Mental Health Counseling (CMHC) and the School Counseling (SC) Programs at the Masters level. Its main objectives are to establish a rationale and format for incorporating active learning across the Counselor Education curriculum; provide material that closely meets the CACREP guidelines for that content area to emerging, new, and established educators developing courses in CMHC or SC programs; and provide active learning strategies that can be incorporated into classroom lessons to emerging, new, and established educators instructing courses in CMHC or SC programs"--Provided by publisher.
