## BOOK SYNOPSIS

A haunting account of teaching English to the sons of North Korea's ruling class during the last six months of Kim Jong-il's reign. Every day, three times a day, the students march in two straight lines, singing praises to Kim Jong-il and North Korea: Without you, there is no motherland. Without you, there is no us. It is a chilling scene, but gradually Suki Kim, too, learns the tune and, without noticing, begins to hum it. It is 2011, and all universities in North Korea have been shut down for an entire year, the students sent to construction fields—except for the 270 students at the all-male Pyongyang University of Science and Technology (PUST), a walled compound where portraits of Kim Il-sung and Kim Jong-il look on impassively from the walls of every room, and where Suki has gone undercover as a missionary and a teacher. Over the next six months, she will eat three meals a day with her young charges and struggle to teach them English, all under the watchful eye of the regime. Life at PUST is lonely and claustrophobic, especially for Suki, whose letters are read by censors and who must hide her notes and photographs not only from her minders but from her colleagues—evangelical Christian missionaries who don't know or choose to ignore that Suki doesn't share their faith. As the weeks pass, she is mystified by how easily her students lie, unnerved by their obedience to the regime. At the same time, they offer Suki tantalizing glimpses of their private selves—their boyish enthusiasm, their eagerness to please, the flashes of curiosity that have not yet been extinguished. She in turn begins to hint at the existence of a world beyond their own—at such exotic activities as surfing the Internet or traveling freely and, more dangerously, at electoral democracy and other ideas forbidden in a country where defectors risk torture and execution. But when Kim Jong-il dies, and the boys she has come to love appear devastated, she wonders whether the gulf between her world and theirs can ever be bridged. *Without You, There Is No Us* offers a moving and incalculably rare glimpse of life in the world's most unknowable country, and at the privileged young men she calls "soldiers and slaves."

### **WITHOUT YOU THERE IS NO US UNDERCOVER AMONG THE SONS OF NORTH KOREAS ELITE**

- Are you looking for Ebook *Without You There Is No Us Undercover Among The Sons Of North Korea's Elite*? You will be glad to know that right now *Without You There Is No Us Undercover Among The Sons Of North Korea's Elite* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Without You There Is No Us Undercover Among The Sons Of North Korea's Elite* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Without You There Is No Us Undercover Among The Sons Of North Korea's Elite* and many other ebooks.

We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Without You There Is No Us Undercover Among The Sons Of North Korea's Elite*. To get started finding *Without You There Is No Us Undercover Among The Sons Of North Korea's Elite*, you are right to find our website which has a comprehensive collection of manuals listed.
